

Jeff/CHAOS—

Hope all is well with the CHAOS family, your loved ones and friends. We'll all get through this together (even if we have to keep a bit of distance!)

Just wanted to let you let your know we are still planning our normal Friday delivery including CHAOS drop off.

Please let your members know that we can deliver items not on the Recipe Builder, they can just request that in the special instructions and I'll send them an invoice payable online.

Let me know if there's anything else I can do.

All the best to you and the CHAOS crew!

David
